

As a software engineering and distributed systems student, I am highly motivated to gain practical experience in the field of web development using the Spring Boot framework. I am currently seeking a two-month remote internship starting in July, and I am excited about the prospect of contributing my skills to an organization in this field.

EDUCATION

- 2021-2023
HIGHER NORMAL SCHOOL OF TECHNICAL EDUCATION MOHAMMEDIA
First year master degree: Software engineering and distributed computer systems.
- 2019-2021
HIGHER NORMAL SCHOOL TETOUAN
Diploma of General University Studies: Mathematics
